

# Our Commitment to You

Updates on our efforts to provide high quality educators to your students.

## Bilingual and Substitute/Paraprofessional Scholarships

At Texas Teachers, our goal is to recruit, prepare, and support great candidates that match the needs of your students. That's why we created annual fall scholarships for aspiring educators that are either current substitutes, paraprofessionals, or bilingual Spanish candidates. We're proud to help inspire these groups to take the next step toward a rewarding career. Please join us in congratulating the winners of our September 2017 Paraprofessional/Substitute Scholarships and October 2017

Bilingual Scholarship:

Gary Anderson, Paraprofessional, Grand Prairie ISD

Maria Martinez, Paraprofessional, Arlington ISD

Terence Edwards, Substitute Teacher, Humble ISD

Diana Villagrana, Bilingual Teacher candidate, Substitute Teacher / El Paso ISD

We've sponsored the full cost of our program for these aspiring educators - congratulations!

**GET THE LIST**

## New Website and Future Admin Portal

We launched our new website in October! It provides a new mobile-friendly experience, with additional resources to recruit high quality candidates and better support those in the Texas Teachers program.

We have more in store for our district and campus partners!

And so, we're excited to announce designs are underway for the Texas Teachers Admin Portal, coming in 2018. This free, self-service portal will provide you 24/7 access to the largest candidate pool in the state, and assist with tracking the success of your district's Texas Teachers. Administrators will have the ability to request customized candidate lists, check program status reports, and submit employment documentation. *More to come!*

## VIRTUAL JOB FAIRS ►

Our 4th Virtual Job Fair, held December 1st, was a great success. This past year, more than 3,000 candidates and 200 districts were able to connect across the state, leading to hires for multiple districts.

If you would like more information on how to participate in our spring Virtual Job Fairs, contact [Ariel@TexasTeachers.org](mailto:Ariel@TexasTeachers.org), or call us at 877.342.1202.

The online, cloud-based platform makes it easy and fun for you to recruit from anywhere, all you need is access to the Internet. After signing in from your home, office, or tablet, you'll be able to have 1-on-1 text-based chats with qualified Texas Teachers candidates statewide; they are very excited to chat with you!

## Bilingual Recruiting Survey

We need your help! To better target our marketing and recruiting efforts, please complete this brief survey.

It will help us to understand your district's perspective on the shortage of bilingual education teachers and the possibility of visa sponsorship.

## Certification Overview Webinars

In September, many of you invited your paraprofessionals and substitutes to participate in our Program Overview webinar series and learn more about the certification process. Thank you! These were highly attended, and participants received a program discount.

Due to the success, we are going to host these free webinars regularly, and again need your help sharing the following registration page – either posting a link on your district's "how to become a teacher" webpage or sending an email to your staff would help greatly!

View all upcoming dates by clicking below:
