

# Our Commitment to You

Updates on our efforts to provide high quality educators to your students.

## Clinical Teaching Placement Referrals

Do you have exceptional paraprofessionals or substitutes you know would make great certified teachers? If so, then we would love to share information regarding our Clinical Teaching program, which is now accepting candidates for our Fall 2018 campus placements! For many years, this program has helped passionate candidates become great teachers, providing mentorship and guidance in a real classroom.

[VISIT THE WEBPAGE](#)

Clinical Teaching is also our most affordable and fastest route to full certification, providing a \$200 discount off our current pricing. Plus, we offer an additional \$100 discount for district referrals! If you have someone in mind for this opportunity, please contact us at [ClinicalTeaching@TexasTeachers.org](mailto:ClinicalTeaching@TexasTeachers.org).

## Update on New Admin Portal

In our last newsletter, we announced our upcoming Texas Teachers Admin Portal. Development for the portal is well underway - several districts have already provided initial feedback, and we are increasingly excited by its potential. In late Spring, your team will be able to create your own candidate lists on demand by accessing The List online. Once you've hired a Texas Teacher, you'll be able to view their progress towards full certification. And these features are just the start of what we plan to offer!

We will always have a dedicated team available to provide excellent customer service, and this free, self-service portal will provide you 24/7 access to the tools you need to hire and support our candidates.

## New Test Prep Modules

We've added even more effective preparation to help our candidates pass their content exams. In addition to our Online Study Community, an interactive forum where candidates share study advice, these TExES test specific modules can be a huge help when studying. Each one includes test methodology and a practice exam!

## "How to Get Your First Teaching Job" Webinars

### VIRTUAL JOB FAIRS ►

Our next Virtual Job Fair will be held on Wednesday, March 7th from 9:00AM to 1:00PM. This past year, more than 3,000 candidates and 200 districts were able to connect across the state, leading to hires for multiple districts.

If you would like more information on how to participate in our spring Virtual Job Fairs, contact [Ariel@TexasTeachers.org](mailto:Ariel@TexasTeachers.org), or call us at 877.342.1202.

The online, cloud-based platform makes it easy and fun for you to recruit from anywhere, all you need is access to the Internet. After signing in from your home, office, or tablet, you'll be able to have 1-on-1 text-based chats with qualified Texas Teachers candidates statewide; they are very excited to chat with you!

This spring we'll be hosting webinars for our current candidates, providing an overview on how to position, prepare, and market themselves during the job search. We'll also explain the certificate recommendation process to ensure they are eligible for the classroom after receiving a job offer. After years of collecting your feedback, we have a great list of topics to cover. However, we'd love more of your suggestions!

Please email [TheList@TexasTeachers.org](mailto:TheList@TexasTeachers.org) with any advice regarding job fairs, district applications, interviewing - whatever you think is valuable.

We want to ensure our candidates are well equipped and prepared as they start their job search with your district.
